EU REACH Regulation EC/1907/2006 Compliance Declaration

In compliance with the EU Regulation EC/1907/2006 which entered into force on 1st June 2007, Valtaro Motori has reviewed its operations at requested facility.

We are primarily a downstream user in the meaning of REACH and accept that we have a central role to manage the information flow between customers and suppliers. Valtaro Motori has implemented a protocol and procedures based upon the guidelines to ensure all Company facilities are in full compliance with the Regulation.

We confirm that all the parts supplied by Valtaro Motori comply with REACH requirements as well as our products contain none of the 247 SVHC substances listed on the Candidate List updated in 21th Jan 2025. (<https://echa.europa.eu/candidate-list-table>)

This communication serves as a declaration of our compliance with the REACH Directive and confirmation of continuity of supply
